PROFILE SUMMARY:

SQL & PL/SQL expert with hands-on experience in **database design, optimization, and query tuning**. Skilled in **Core Java, Selenium automation, and manual testing**, delivering robust, data-driven solutions with strong problem-solving skills.

EDUCATION:

DBATU, *B.Tech (AI&DS), Fabtech Technical Campus College of Engineering, Sangola*   2025 | Sangola
7.93

Diploma MSBTE, *Sharad Institute of Technology, Yadrav, Ichalkaranji*   2022 | Ichalkaranji
74.40%

SSC, *Vyankatrao High School and Junior College, Ichalkaranji*   2018 | Ichalkaranji
77.20%

TECHNICAL SKILLS:

Programming Languages: Java, SQL, Pl/Sql, Html.

Core Java: OOPS, Collections, Exception Handling, Multithreading.

Testing: Manual Testing, Api testing.

Database Management: Oracle Database, SQL, Pl/Sql, joins, triggers, stored procedures, indexes, views, windows functions, cusrsors.

Automation Testing: Automation Testing, Selenium WebDriver, Testng, Mavens.

Tools & Platforms: Eclipse IDE, SQL Plus, VS Code, Postman,Selenium.

PROJECTS:

Real Estate Management System (SQL-PL/SQL) ⧉   11/2025 – 12/2025
Developed a fully automated real estate system using PL/SQL and Oracle DB to manage properties, bookings, payments, agents, maintenance, and ownership. Implemented triggers, stored procedures, views, and indexes to ensure data integrity, enforce business rules, optimize performance, and enable real-time .

ShopperStack Web Application – Manual Testing Project   11/2025 – 11/2025
Conducted comprehensive manual testing on critical e-commerce modules; ensured defect traceability by documenting reproduction steps and severity.

Custom Data Structures Implementation, *Core Java*   09/2025 – 11/2025
Applied Object-Oriented Design principles to construct custom data structures, gaining proficiency in memory management

RedBus-Style Bus Booking System, *Core Java*   05/2025 – 11/2025
Engineered a robust console-based booking system using Java Collections to manage inventory, ensuring stability via comprehensive Exception Handling.

CERTIFICATION:

- - HackerRank Skills Certification – SQL (Basic). ID: F49033ED9F9E ⧉
- -HackerRank Skills Certification – SQL (Intermediate).ID:e7080ebf77fe ⧉
- - HackerRank Skills Certification – JAVA (Basic). ID: 1F9166616ABO ⧉

TRAINING:

QSpider Training & Placement Institute, Pune   03/2025 – 07/2025
Gained hands-on experience in SQL, Java,Manual Testing and Automation Testing.

Java Technology – ITpreneur Training Institute, Pune   01/2025 – 04/2025
